

Announcement Notes for Sanctity of Life Sunday

HISTORY

In 1984, Ronald Reagan declared the first Sanctity of Human Life Day to commemorate the anniversary of Roe v. Wade. Now, on the third Sunday of January, Sanctity of Life Sunday, churches across the United States focus their attention on God as the Giver of Life and on the Church's role to value and protect that life.

STATS

- Foothill Pregnancy Center has been serving Tuolumne County for over 25 years.
